

DOMESTIC VIOLENCE AND COMMUNITY AUDITS

OVERVIEW

How effective is your organisation's or community's response to domestic violence? What systems or processes have you got to understand what is working well and what are the areas for improvement? This seminar will introduce some ideas about how organisations can review their own or their community's response to domestic violence using a range of methodologies.

OUTLINE OF THIS SEMINAR

This seminar will:

- Define domestic violence
- Understand what constitutes a 'community audit' or review
- Discuss examples of 'performance measures' that can be used as part of a community audit
- Discuss various examples where organisations review their own performance and effectiveness
- Resources required for a community audit
- Workshop cases of how a 'community audit' might work in your community

WHO BENEFITS?

The seminar is designed for those practitioners working in the domestic violence field. It would be useful to provide workshops with representatives from partner agencies.

TIME

Half or full-day sessions can be provided

Other extended sessions can be customised to meet the requirements of specific groups
